

3 Part Webinar Series: Local Approaches to Preventing and Eliminating Hepatitis B

Hepatitis B Information for Health Departments

Hep B United and the National Association of County and City Health Officials (NACCHO) are excited to present a 3-part webinar series on local strategies to eliminate hepatitis B. Join us for updates on the current state of hepatitis B (HBV) in the U.S. and to discuss local health department efforts and model programs to increase hepatitis B testing, vaccination, and linkage to care.

Part 1: The Landscape of Hepatitis B in the United States

Wed, March 20th 11:00 AM - 12:00 PM PST / 2:00 - 3:00 PM EST

Part 2: Exploring National and Local Approaches to Perinatal Hepatitis B Prevention

Wed, May 1st 11:00 AM - 12:00 PM PST / 2:00 - 3:00 PM EST

Part 3: Hidden Consequences: The Opioid Epidemic and Rising Hepatitis B Rates

Wed, May 22nd 11:00 AM - 12:00 PM PST / 2:00 - 3:00 PM EST
