HEP B UNITED: A NATIONAL COALITION

Hep B United

Hep B United Partners in
27 states, DC and 37 cities.

54 National and Local
Coalition Members

- 50+ local coalitions & national organizations in 37 cities and 27 states, and D.C.
- **Mission** - Hep B United is a national coalition dedicated to reducing the health disparities associated with hepatitis B by increasing awareness, screening, vaccination, and linkage to care for high-risk communities across the United States.

B Informed! a Hepatitis B Virtual Education Series which is a series geared toward anyone interested in learning more about hepatitis B including patients, family members, community advocates, health care providers, public health professionals, and community members.

Sessions are every-other-month on the third Tuesday at 3pm ET and are 45 minutes long.

Each session will focus on a specific hepatitis B topic related to improving awareness, testing, vaccination, and linkage to care through didactic speakers and real-world case studies.

Evaluation: Post-test, number of attendees, registrants, views of recording, each evaluation will have 1-2 questions about knowledge gained based on objectives for each webinar and each will have general quality questions/feedback.
